Step 4: Edit your profile.

You now have the ability to update your profile with your relevant business data - The fields of which are below:

Profile Image - (suggested image is your logo) - optimal image size is 300px x 300px. Make sure you stretch the edit box to the limits of the image before you submit the image.

Short Description - 180 characters that best describes your business

Organisation Name - What the title of your business is - this will show up in the members directory

Facebook / LinkedIn Profile Links - These links are to be added to take users to your company social media pages

Business Category - Select the 2 categories that best describe your business from the drop down menu. If you believe the business category that best describes your business is not in the directory - simply use the contact form on the contact page <http://www.narellanchamber.com.au/contact> to suggest a better category for you.

Represented at Chamber by: This will help prospective clients get in touch with you if they remember your name - but not your business - from a chamber meeting. Simply type the people that represent your business at chamber events and they can then be searched in the member directory.

Phone - Type in your best contact number for your business

Services Provided - Simply list all the services you provide here separating each with a comma

Visit Our Website - Put a link to your own website so prospective clients can learn more about your business

Email - Put the email you would prefer members / guests to email you with enquiries about your business

Location - Simply type the address of your business in this text field letting people know where you are located.

PLEASE NOTE: Your organisation name and Chamber representatives are required fields.
